

eScooter Use

Some helpful tips and advice for safe use of the eScooter

Currently in the UK it is illegal to use an eScooter on a public road or pavement. They can only be used on private land with the land owners permission.

Wear a helmet at all times.

The eScooter is not waterproof and should not be left out in the rain or ridden through deep puddles and water

The eScooter is easily stolen so please be mindful. Keep locked in the motorhome garage when not in use.

Use of the eScooter is done so at your own risk. We do not provide any insurance cover. Please play safe and have fun.

When charging the light on the power unit is red. Once charged it turns green.

We suggest starting on speed setting 1 until you get familiar with the throttle, cruise control function and brake.

Instruction on how to use will be given to you on collection from us. Any damage or loss will result in a deduction from the £250 deposit.

If you would like to treat yourself to an eScooter we have units available to buy. We would be happy to give you a discount of up to 10% from the purchase price of £399.

Scoot safely and enjoy the grin!
